Dear Councillors,

This letter provides an update on the Grey County 4-H Association, a thriving not-for-profit organization dedicated to the development of youth aged 9 to 21, and the volunteers who support them.

This past year has been one of significant achievements for our members. We boast the largest county membership in the province, a testament to the quality of our programs and the dedication of our volunteers. Our youth have proudly represented Grey County at numerous events across Ontario and beyond, including the Grey County 4-H Regional Show at the Owen Sound Fair, the prestigious Royal Agricultural Winter Fair in Toronto, and various other local fairs. Their participation has resulted in numerous successes.

Grey County 4-H continues to provide invaluable leadership training and opportunities, fostering growth and development in our young members. We remain committed to enriching the lives of Grey County youth.

Grey County Council has been very generous to our organization over the years and has understood its importance to the residents and youth of Grey County. We once again would like to thank you for your support. Your contribution goes directly to benefit our members through programs and opportunities.

We thank you for your continued support and your appreciation of the importance of the 4-H program to the youth of our county.

Yours sincerely,

Dianne Booker
